

# Fun Farm

## April Newsletter

[April showers bring May flowers!!](#) We expect changeable weather this month, so please ensure that your child has a rain jacket and outdoor footwear at all times. We are also requiring that children have indoor shoes at the centre. We have gotten out of routine and have a lot of mud coming in with boots!

We are still getting reports of parents driving too fast in the daycare parking area and driveway. Please keep your speed to 10 km or less. Remember that there could be a child coming out of the building at any time. Thank you for your cooperation!

## Wee Fun Farm news

[Spring is here!](#) We hope you are all enjoying the sunny weather we have had lately!

This month's theme is Spring! We will be learning about this season and all the wonders it has in store. We will also be discovering and exploring the creepy, crawly world of frogs, bugs and insects! The children will have so much fun participating in the activities and lessons we have planned.

We will be spending a lot of time outside and it has been sunny and warm. Please remember your child will need a water bottle, pair of sun glasses, sunscreen and a hat everyday at Fun Farm. Please make sure your child's plastic tote consists of spare shorts, pants, 2 underwear, 2 socks and 2 shirts **at all times**. Thank you.

Springtime at the Fun Farm becomes very active. The children build up quite an appetite, please pack a **LARGE** healthy, hearty lunch. **NO JUICE please but do provide a water bottle for your child**. Also please limit children to one treat per day in their lunch.

If your child is not coming to the center on a particular day, please call before 10 a.m. Also, please let us know if someone else is coming to pick up your child. Sign your child in and out each day. This is a licensing requirement and is very important. There is a spot for you to write estimated time for pick up.

We have designated "Show and Tell" on scheduled days. Please limit to one special item. **All toys must stay home except for on designated Show and Tell days, please.**

[We will be going to a pond at a nearby neighbour's house to go frog hunting! We will also be going to Birchwood Dairy and visiting the baby cows!](#)  [Stay tuned for upcoming details...](#)
